

## Complete Legal and Conveyancing

## Legal Services

### OUR STORY

Legal services are a strange beast that need to be marketed carefully, because typically people are only interested in the services at the exact moment they need them.

We asked the Western Weekender to develop ways for us to reach multiple platforms and stay

interesting and at the forefront of reader's minds. The Western Weekender have been incredible in assisting us to come up with fresh, relevant topics for our editorial and tying our columns in with other relevant news items within their publication.

### THE BENEFITS

- Interesting and engaging content
- Large audience reach
- Strong digital and social media presence
- Print and digital offerings
- Effective and affordable
- Protected against the weather
