

# Western Property

“ Greenfields Development Company has an award-winning team, whose heart goes into delivering every project ”

## OUR STORY

Greenfields Development Company is a family-owned company based in South West Sydney. It is working to develop Oran Park Town, the fastest growing town in NSW. Every year the town progresses, turning into a vibrant, interconnected community that offers a range of living choices, as well as new opportunities to live and work at Oran Park Town. Greenfields Development Company has an award-winning team, whose heart goes into delivering every project, keeping the community always looking forward to something new.
